

THE UNIVERSITY OF SYDNEY OPEN DAY IN SINGAPORE

Saturday, 21 September 2013

THE UNIVERSITY OF
SYDNEY

Attend these interesting and informative seminars to learn more about the University of Sydney. Academic experts and professional staff will update you on University of Sydney degrees, professional accreditation and the University's national and international rankings. You'll hear about our student experiences, graduate outcomes and how to apply.

The University of Sydney is one of Australia's largest and most prestigious universities. Established in 1850, it is Australia's first university. It is ranked in the top 100 universities in the world and among the top three in Australia. Our current enrolment of more than 51,000 students (including more than 10,000 international students representing 152 nationalities), enjoy an academic experience of the highest quality.

At the Open Day, our experts will inform you about University of Sydney degrees, professional accreditations, and our rankings in the international arena. You will hear about our student experience, graduate opportunities, and how to apply.
